

Consent Form – Adult

Permission to use image, video, voice, and/or creative work of adults who are students or who are not DECD or school/site employees

The Department for Education and Child Development (DECD) develops teaching, learning and promotional materials and publishes them in print and digitally (eg on websites). These are often published on websites (eg school website, DECD website, Scootle™, iTunes™ or other online environments).

By completing and returning this form, I grant permission for DECD to create/use:

- photographs, video or audio recordings of me
- samples of my work
- a written comment made by me

and to distribute them in the following locations:

- printed publications (eg newsletters, promotional material)
- secure intranet websites
- publically accessible websites, including social media accounts

The permission will continue until I revoke permission in writing to the Principal of the school, Director of the preschool or manager of the service.

Any material placed on publically accessible websites under a CC-BY-NC licence will be available to download and use. This licence is perpetual (forever), irrevocable, free, worldwide, non-exclusive and allows for the replication, distribution, display, performance and remixing of copyrighted work for non-commercial purposes, provided that the author is credited.

Additional optional permissions

In addition, I also grant permission to be photographed/recorded to be used:

- by external media organisations for publication/broadcast
- for the yearly school photographs, both individually and in a group
- in the publication of the annual school yearbook/magazine.

Notes

- Items might not appear in exactly the form in which they have been submitted and not every item for which permission is granted will be used.
- Items which contain images/references to Aboriginal and Torres Strait Islander people may be accompanied by warning text to indicate that the work may include people who have passed away.
- Where permission is revoked, every effort will be made to remove relevant media from distribution, however this may not be possible or practical in some situations.
