

Gawler & District College B-12 ICT User Agreement

STUDENT NAME: _____ PARENT/GUARDIAN NAME: _____

I/We have read and understood the Gawler & District College ICT User Agreement, which incorporates information about the following:

- Cyber-safety strategies
- Acceptable use and care of College ICT equipment and devices for both school and home use (Years 8-12)
- Internet use and Cloud Services.

The ICT User Agreement is available for download here: <https://www.gdc.sa.edu.au/our-college/forms/>

I/We understand that failure to comply with the ICT User Agreement could result in:

- Recall of the device and/or charges for cost associated with repairs or replacement of the device while in the care and of the student.
- Consequences as set out in the ICT User Agreement

My responsibilities as a Parent/Guardian include:

- Reading the ICT User Agreement carefully and discussing it with my child so we both have a clear understanding of our roles in using the College ICT devices for learning
- Ensuring that my child is aware of their responsibilities
- Ensuring this ICT User Agreement is signed by myself and my child and returned to the College
- Encouraging my child to follow the cyber-safe strategies and all other advice set out in the Agreement
- Contacting the College if there is any aspect of this ICT User Agreement I would like to discuss
- Contacting the College if I wish to opt-out of mentioned cloud services
- Return the device to the college at the end of term 4 each year (or upon the student leaving the College)

I understand that Gawler & District College B-12 will:

- Do its best to enhance learning through the safe use of ICTs. This includes working to restrict access to inappropriate, illegal or harmful material on the internet or on school ICT equipment/devices at school, or school related activities; and enforcing the cyber-safety requirements detailed in the ICT User Agreement
- Work with children and their families to encourage and develop an understanding of the importance of cyber-safety through education designed to complement and support the Cyber-Safety User Agreement initiative. This includes providing children with strategies to keep themselves safe in a connected online world
- Respond to any breaches of this agreement in an appropriate manner
- Welcome enquiries, at any time, from parents/caregivers/legal guardians or students about cyber-safety issues.

I am aware the Chrome Book is an optional take home curriculum resource (Years 8-12). On receipt of this signed agreement my child will be issued with a device for school (Year 7) and home (Years 8 -12) use for the duration of the school year.

I understand and agree to pay for any neglectful or wilful damage, loss or failure to return this device will incur a charge of up to \$500 for repair or replacement.

This agreement will remain in force as long as your child is enrolled at Gawler & District College B-12
